Peter,
Is this briefing intended to be staff level or our leadership? It would be a big lift for me to get Barry on both the 6th and 7th, but I will try if necessary.

Thanks,
Elizabeth

Jim,

Steve Kopecky from CEQ is in Seattle this coming Wednesday the 2nd and would like to have an in person briefing on our shared recommendation.

We were hoping the team was available on Wednesday morning say 9am and you could host at USACE? I would think an hour would do.

Would that work for everyone?

Thank you,

Peter
